

May 2016

Dear Parent/Carer

We are excited to be launching Show My Homework, an online tool to help you to keep track of your child's Prep. Show My Homework will allow you to see details of the tasks that your child has been set, as well as the submission status. You will be able to view a live calendar for the Prep that has been set by visiting <https://monkswalk.showmyhomework.co.uk/school/home>. You may also wish to download the app on your mobile phone/tablet devices which can be found by searching for 'Show My Homework' on the app stores for your device.

You can personalise the frequency and type of alerts and notifications that you receive for your child's Prep once you have signed into your account. Please be aware that at this time we are not using the 'grade book' element of the Show My Homework website.

The attached letter contains log in details for your child and a parent account. To set up your account please visit <https://www.showmyhomework.co.uk/login/pin> and enter your PIN.

Students should use their school email address and choose a password for their account.

If you have any trouble signing in or if you have any questions, please feel free to contact the Show My Homework team at help@showmyhomework.co.uk or call 020 7197 9550.

We hope this service will help our students to improve their organisation and time management as well as providing you with a deeper insight into the Prep that your child receives.

If you have any further questions about the use of Show My Homework in the school, please contact takirk@monkswalk.herts.sch.uk.

Please complete the reply slip at the bottom of your log in detail sheet and return to your child's form tutor.

Yours faithfully

Mrs T Kirk
Assistant Headteacher
